

TM RACING E BOANO AT THE SIX DAYS 2021 IN ITALY WITH SERVICE AND BIKE RENT

Official debut for TM Racing at the ISDE which, in collaboration with Boano Moto, offers a motorcycle rental, assistance and spare parts service for the Six Days 2021 in Italy. The bikes available will be the TM Racing 2022 Six Days Limited Edition, 2-stroke and 4-stroke. The bikes will be officially presented in June. The number of bikes available will be limited to a maximum of 15. All displacements can be requested. All the bikes will be delivered to the Paddock of Rivanazzano (PV) in the days before the race already assembled and ready for the race.

Bike Rent price.

TM EN 2T € 2.590,00 (vat escluded)

TM EN 4T € 2.890,00 (vat escluded)

On the TM Racing Six Days Limited Edition motorcycles for hire it will be possible to request, for a fee, further customization (eg high saddle, handlebar thicknesses, suspension calibration customization, etc.). A "Full" assistance service will also be offered both for those who rent the motorbike and for those who participate with their own. This service also has a limited number of 15 riders. The tire service with MAXXIS and mousse with RIGA GOMME will be offered.

Price for full service

TM EN 2T-4T € 1.350,00 (vat escluded)

Included in the full assistance service.

- Access to spare parts service (cost of spare parts excluded)
- Assistance service as per FIM regulations
- "Race Garage TM Boano" access with tools (including tire remover and levers) to both the paddock and service points
- Oils and maintenance fluids supplied free of charge by Bardhal
- Gasoline for the race
- Availability of technicians for support
- Box supply to deposit any personal material for assistance at the Paddock
- Transport of personal effects (gloves, goggles, energy, clothing) to assist in the race
