

HUSQVARNA SIX DAYS RACE SERVICE ORDER

International Six Days Enduro

30st August – 4th September 2021

Lombardia, Piemonte, Italy

Six Days Husqvarna Race Service

We are offering all Husqvarna customers the Husqvarna Six Days Race Service.

To book the service, please send the fully completed Race Service Order

form to Harald Stark: harald.stark@husqvarna-motorcycles.com

Tel. +43 (0)7742 6000-859,

Fax +43 (0)7742 6000-5859

Only fully completed order forms will be processed and stored!

A precondition is an importer's/dealer's guarantee for the Race Service and cashless payment for spare parts! Spare Parts Service (except actual cost of spares) is included in the Race Service! Please register your riders for this service.

Only riders registered for the Race Service will have the access to the support tents located at service points (recognizable by Husqvarna banners/flags and tents).

The price for the **Husqvarna Race Service** during the 2021 Six Days is **1.350 Euro (excl. VAT)**. Unused fuel will not be reimbursed.

The Husqvarna Six Days Race Service must be ordered before July 31st 2021

Detailed information on the Husqvarna Race Service 2021 can be found in the FAQ section below. The spare parts cards will be handed out at the Husqvarna stand in the riders' enclosure.

Please inform your team members responsible for spare parts that we will only have a limited assortment of spare parts available and we will not be able to fulfil large orders.

You can reserve your tires and mousse requirements for the race now from our partner, Metzeler/Pirelli Race Service. Please send your order to **Wolfgang Butzner: info@butzner-motorradreifen.de**

FAQ

Where do I find the Husqvarna service area?

The Husqvarna service area can be found at the Husqvarna service area in the paddock.

Who has access to the Husqvarna service area?

Only customers who have signed up for the official Race Service have access to the Husqvarna service area + team managers with Husqvarna pass.

Who will help me if I have technical questions?

The Husqvarna support team is available for technical assistance and questions.

Where will motorcycle repairs be carried out?

Repairs will be carried out in a dedicated workshop area within the Husqvarna service area.

Is there any suspension support and where do I find this area?

Suspension support is included in the Husqvarna Race Service and can also be found in the Husqvarna service area.

Is the use of tools included in the Husqvarna Race Service?

Tools will be available at the Husqvarna support team for all Race Service customers.

Will tire changing tools and equipment be provided?

Tire changing tools will be provided. You don't need to bring your own tire changing tools.

Will there be technical training for Husqvarna Race Service customers?

There will be a technical workshop with the Husqvarna support team at the Husqvarna service station in the paddock. The exact time will be announced in the paddock.

How do I find out about technical details and setups?

Up-to-date racing setups for suspension will be posted daily on the info board.

Is the provision of fuel included in the Husqvarna Race Service?

The provision of fuel at all service points is included in the Race Service on all race days.

Can I also get spare parts at the service points on the course?

Spare parts (from model year 2019) will be provided for emergency repairs at the service points on the course (parts will be invoiced).

Are airfilters included in the Husqvarna Race Service package?

A maximum of 6 airfilters is for free for each rider during the race week.

How will I recognize the Husqvarna service points along the course?

The service points along the course will be clearly recognizable due to their Husqvarna tent and Husqvarna flags.

What happens if I need technical assistance during the race?

There will be skilled staff available for technical assistance at each service point.

Will be food and drinks available at the service points?

Drinks, fruits and snacks will be available at all service points.

What is the procedure for personal effects that will be needed on the course?

Should personal effects be required at the service points, these should be clearly labelled and handed in at the Husqvarna service truck in the paddock on the preceding day.

Do I have to carry the Husqvarna spare parts card with me all the time?

The Husqvarna spare parts card must be carried with you for the duration of the entire event.

How many service points are there in the paddock and along the course?

There will be 5 service stations for 5 Race Service customers in the service area within the paddock. There will be 2 stations at each service point along the course.

How many service areas are there in the work area before the start?

The Husqvarna support team will have 2 service areas in the work area before the start.

How will the billing of the spare parts be done?

All spare parts required during the event will be invoiced through your Husqvarna importer/dealer.

What is the procedure for the provision and return of the motorcycles?

The handover of rental bikes will begin on August 24th 2021. The exact time and place will be announced in the paddock. The point of handover will be signposted and will be located near the paddock. The return of the motorcycles will be at the same place and will begin after the race on September 4th 2021

Can I return or exchange unused spare parts?

The return or exchange of ordered spare parts is not possible.

Where can I acquire spare parts?

The spare parts stand is located in the Husqvarna service area, but it is separate from the service area.

Who will prepare the bikes for the race?

Every customer has to take care for his own bike. Husqvarna Service mechanics will support and help the rider with their experience. Every rider is responsible for his bike and all parts that are mounted on his bike!

Where can I store personal material?

Husqvarna provides boxes with your start number for the race days. There you can leave tires, tools ...

Do I have to do the first bike service?

The first bike service after your ride-in will be supported by the Husqvarna mechanics.

Who will do the de-restriction of my bike?

The Husqvarna mechanics will support you with the de-restriction of your bike.

Are substances and auxiliary substances included in the Husqvarna Race Service?

Materials and supplies are included for the duration of the race for all Husqvarna Race Service customers.
